59, kukadjhar, Songadh

Gujarat, Dist. Tapi

Pin code: 394365

Objective:

To secure a responsible career opportunity to fully utilize my skills and expand my learning while making a significant contribution to the success of the reputable organization.

Job experience:

1. Aajeevika Bureau, Dahej

Community Mobilizer (Senior Associate)

July 2024 – Present- Bharuch, Gujarat

Key Responsibilities & Achievements:

- Worked extensively on educational support for migrant workers' children by identifying out-of-school students and facilitating their enrollment into nearby government schools. Conducted community-based basic learning sessions in labor colonies with the help of trained volunteers. Mobilized families to utilize BOCW education-related schemes to ensure uninterrupted education for their children.
- Organized and led multiple social security entitlement linkage camps in industrial and residential areas, connecting workers to schemes such as E-Shram, BOCW, Provident Fund and insurance benefits. Also facilitated financial literacy and legal awareness sessions to help workers understand their rights, responsibilities, and savings options.
- Conducted Occupational Safety and Health workshops focused on improving awareness among workers in hazardous industries such as chemicals and construction. Educated them on workplace safety norms, use of protective equipment, and preventive health practices, contributing to the reduction of occupational risks.
- Led community outreach and mobilization efforts in migrant colonies, building rapport through regular visits, meetings, and small-group discussions. Addressed local issues related to housing, sanitation, and climate resilience, and advocated for safer, cleaner, and more sustainable living conditions for labor communities.
- Handled program documentation, data collection, reporting, and stakeholder presentations. Collaborated closely with school authorities, government departments, industries, and grassroots organizations to implement educational and welfare initiatives.

2. Swami Vivekananda MSW College

Assistant Professor (MSW)

July 2022 – June 2024- Valsad, Gujarat

Key Responsibilities & Achievements:

- Delivered engaging lectures and facilitated interactive learning across key subjects in Social Work such as Community Organization, Social Policy, and Labour Welfare, ensuring academic excellence and conceptual clarity among postgraduate students.
- Designed and conducted fieldwork supervision for MSW students by coordinating with local NGOs, CBOs, and government departments, helping students link theoretical knowledge with real-world social development practices.
- Organized seminars, workshops, and exposure visits on topics like Social Justice, Tribal Rights, Gender Sensitization, and Government Welfare Schemes, thereby enhancing student understanding of contemporary social issues.
- Mentored students for research projects and dissertation writing, providing guidance in data collection, analysis (using Exce), and report writing—successfully helping students complete field-based academic research

3. Eco Vision Environmental Resources LLP

(In collaboration with Surat Municipal Corporation – Plastic Waste Management Project)

Jr. IEC Consultant (Information, Education & Communication)

Sept 2021 – June 2022- Surat, Gujarat

Key Responsibilities & Achievements:

- Planned and conducted interactive awareness programs on Plastic Waste Management in schools and colleges, with a special focus on environmental education for children
- Designed and implemented child-friendly activities, such as drawing competitions, quiz sessions, storytelling, and demonstrations to help school children understand the importance of reducing plastic usage.
- Engaged with school staff and teachers to integrate plastic waste topics into educational discussions and daily practices.
- Coordinated “Safai Saathi” upliftment programs, supporting the dignity and welfare of sanitation workers.
- Supervised field operations related to waste collection, provided team leadership to laborers, and ensured smooth implementation.
- Developed detailed reports, documentation, and outreach plans for continued educational engagement and impact tracking.

4. Urban Health and Climate Resilience Center of Excellence (UHCRCE)

Field Coordinator & Supervisor – Surat

Aug 2019 – July 2020- Surat, Gujarat

Key Responsibilities & Achievements:

- Implemented field-level health and education projects, focusing on children with special needs (Divyang), including organizing awareness sessions, inclusive learning activities, and engagement programs in coordination with PHCs and community stakeholders.
- Led data collection, analysis, and reporting related to health, nutrition, and educational behavior using MS Excel and created informative presentations and reports for internal and external stakeholders.
- Conducted Focus Group Discussions (FGDs) with Divyang children and families to identify barriers in health access and inclusive education, and supported the design of need-based intervention strategies.
- Promoted community participation and parent engagement, encouraging uptake of health services and supporting inclusive education through local outreach and awareness drives.
- Facilitated surveys and nutrition programs, including a Dietary Practice Survey for PLHIV and various health-hygiene campaigns, integrating educational messages to improve overall well-being among marginalized communities.
